

AMENDMENTS TO THE DRAWINGS

The attached sheet of drawings (showing Figs. 1 and 2) includes proposed changes to Fig. 2 and no changes to Fig. 1. This sheet replaces the original sheet.

In the replacement sheet, the graph shown in Fig. 2 is the arctan function and the horizontal axis is labeled "z", as described in the specification at page 13 (lines 11-14). It is further noted that the arctan function as correctly shown in revised Fig. 2 is well-known in the art.
